The Role of the PTA at PS115Q

Our goal is to foster a strong sense of school community. The PTA board works closely with Ms. Laporte, Ms. Tang and Mr. Burke to collaborate teamwork among school staff and parents/guardians and also, voice your concerns in order to influence decisions that impact our students. In the past, we have organized several fun-filled and enriching activities for students such as Virtual STEM workshops by Cradle of Aviation, Winter Wonderland crafts, Pumpkin Patch, Carnival, After-School Enrichment Programs, Illuminate the Farm at Queens County Farm Museum, and several fundraising events such as Scholastic Book Fair, Walk-A-Thon, Mother's Day Plant sale, etc., that help fund these activities for our students.

Volunteer

Volunteers are the backbone in running PTA-sponsored events. We encourage all parents to participate in our events and help create memorable experiences for our students.

Donate to the Membership Drive

As a member of the PTA, your donation is vital to our success. Please find the Membership Drive letter along with this Welcome Back letter. Our annual goal is \$12,000. With your help, we know that we can reach this goal to bring engaging enrichment programs for our students.

Please email us with any questions, concerns and/or feedback. We appreciate your continued support throughout the year. We look forward to meeting with you during our first virtual PTA during our virtual back to school night on Thursday, September 14, 2023, from 7:30-8pm (after back to school night).

Sincerely,

Balvinder Deonarine
