

SMALL GIFTS, BIG IMPACT

LEARN MORE HERE!

Business Partners!

This year our school is looking to raise \$12,000 for STEM activities, workshops, and assemblies. To do that, we're hosting our PS 115Q Fun Run in a few weeks!

Will you consider making a donation to help our school?

In return, we'd love to:

- Add your business name/logo to our event day shirts (every student will receive a shirt!)
- Post your logo on our donation site for hundreds of families to see.
- Promote YOUR business to our community through social media.

To give, please make checks payable to **{School/Parent Organization Name}**. Feel free to email **CONTACT NAME** at yourname@email.com.

Thanks for supporting our fundraising efforts this year!
